

HE Teaching & Learning Policy

1. Policy Statement

- 1.1. At Weymouth College teaching and learning is viewed as a partnership between staff and students based upon co-learning, active participation and mutual respect.
- 1.2. The College's vision is to transform the lives and economic prosperity of our local people providing the opportunity to access learning delivered to the highest standards. This policy will set out the teaching and learning elements to achieving this vision.
- 1.3. To ensure that students learn and reach their full potential, achieve their individual learning goals and progress successfully.

2. Reason For The Policy

- 2.1. To ensure that students learn and reach their full potential, achieve their individual learning goals and are able to enhance their employability skills or progress successfully to further higher education study.

3. Policy Objectives

- 3.1 Weymouth College aims to provide a learning environment which is welcoming, safe and inspiring. It will be appropriate to the subject and responsive to the needs of the student.
- 3.2 Students are encouraged to:
 - develop an enthusiasm for learning and for their subject;
 - engage in learning;
 - develop knowledge and skills;
 - work with staff and external agencies;
 - gain experience of working environments for lifelong learning in a professional context.

4. Policy

- 4.1 Learning Provision and Planning
 - 4.1.1 Students will be assessed accurately for prior skills, knowledge and understanding to enable effective planning.
 - 4.1.2 Lectures will be well planned, setting challenging tasks, utilising effective teaching, learning and assessment strategies.
 - 4.1.3 Learning Resources will be well prepared, including ICT and regular course work contributing to students' progress.
 - 4.1.4 A variety of teaching and learning methods will be used in each lesson.
 - 4.1.5 Staff will develop students' skills and knowledge, regardless of their background, and ensuring that all students make good progress.
 - 4.1.6 Teaching and learning will be monitored through the lesson observation process and quality assurance systems.
