

A2 History Summer Homework 2018

Task

Find two historians in relation to your essay title with possibly conflicting views and compare their views on up to three themes and write a five hundred word report.

Guidance

DO NOT TELL THE STORY OF THE ERA YOU ARE WRITING ABOUT!

Be objective:

Does one point of view have more merit than the other?

Do they both focus on similar causal factors or effects?

Bear in mind you could use this as a foundation for your essay!
