

Plumbing Studies - Level 1 Diploma

Course Summary

Full-time course (1 year), City & Guilds qualification covering all the basic knowledge and practical skills required to begin your journey towards becoming a plumbing and heating operative.

Course entry requirements:

GCSE Maths and English Language at grade **3** or above

or

Functional skills level 1 in English and Maths

or

Progression from Construction Multi Skills

Course Overview

The Level 1 'Diploma in Plumbing Studies' is aimed at learners with little or no plumbing experience or knowledge, who are interested in pursuing a career in the Plumbing industry.

The course is a mixture of Plumbing practical training and assessment alongside Plumbing theory lessons with end of unit 'knowledge assessments'.

- You will learn the basic underpinning knowledge required to begin your career as a plumber
- Tasks such as: soldering, accurate measuring and cutting, using different materials and tools, small scale plumbing installations (basin, radiator etc)

Is Plumbing for me?

- Do you enjoy working with your hands and carrying out physical tasks?
- Does building and construction interest you?
- Do you enjoy problem solving and learning new skills?
- Are you looking for a career which can offer you practical skills and knowledge?
- Are you looking for a career which offers many routes and pathways, a variety of different roles and opportunities throughout your working life?
- If you answer **yes** to these questions then Plumbing may be the right career choice for you!

Who are City & Guilds?

- City & Guilds are arguably the UK's leading awarding body for Construction.
- They are probably the most recognized provider for vocational qualifications in the UK.

"Founded in 1878, The City and Guilds of London Institute was founded by the Corporation of the City of London and 16 livery companies (the Guilds), to protect and promote the standard of technical education.

Our President is Her Royal Highness The Princess Royal, who took over this role from His Royal Highness The Duke of Edinburgh, in 2011.

Our goal is to ensure that, whoever you are, you have the right skills to thrive both now and in the future."

Where can it lead?

- **Progression on to higher level Plumbing courses**
- **Work placements and work experience**
- **Apprenticeship opportunities**
- **Industry related qualifications and registrations (when fully qualified)**

Registered Technician

A close-up photograph of a hand holding a black marker, writing the words "APPLY TODAY!" in a bold, handwritten style on a white surface. A thick black horizontal line is drawn underneath the text. The hand is positioned on the right side of the frame, and the marker is just finishing the last letter of "TODAY!".
