Weymouth College is now a recognised Kickstart Gateway

Weymouth College has now been recognised by DWP as a Kickstart Gateway, an intermediary provider supporting local Dorset companies keen to explore the Kickstart scheme but looking to offer less than 30 placements. **Kickstart funding will be available up until the end of December 2021 for each six month placement**

For more information on the Kickstart Scheme and how it can work for you, our training package options and our gateway support service (working with you to successfully access Kickstart Scheme funding) [click here](#)

Job Retention Scheme

The government has recently announced the extension of the Job Retention Scheme until 31 March 2021. Furloughed staff that are unable to participate in business activity whilst on furlough can use this time to develop their own personal and professional development. Our training package consists of both short and long courses covering a range of subjects such as, Microsoft Office training and mental health awareness; these can be tailored to a bespoke training package either online or face-to-face. Level 3 Management Development Programme starting in 2021

Level 3 Management Development
Programme starting in 2021

A great opportunity to upskill a current employee or recruit a new team member, this will enable them to gain a qualification and learn all aspects of team leading and supervision.

Both our delivery model and programme content have been redesigned to facilitate online learning environment and to cover skills needed to support business into 2021.

The course includes:

- Managing and leading staff
- Building relationships and communication
- Operational and project management
- Finance and decision making

Limited spaces available so please register your interest now by emailing apprenticeships@weymouth.ac.uk and a member of the team will be in touch.
