One of the UK's leading contemporary dance companies, 2Faced Dance bring an explosive double-bill to The Bay Theatre this October...

POWER

Who leads? Who follows? Who holds the power?

Power explores our relationship with authority and control. With abuses of power and domination affecting communities across the world, we look at how power can seduce, shift and shape our behaviour.

"Power is one of the best dance shows I have ever seen. I was blown away by the performance." Peter Florence, Director, Hay Festival

LAST ORDERS

Let's start a revolution. Down the pub.

Four strangers meet in the local. They could not be more different. But they do have one thing in common...

Thrown together and forced to confront their differences, Last Orders explores the vulnerability beneath male bravado.

With vats of physicality, barrels of humour and a pounding soundtrack, join us down the local as we explore a future where our differences stop dividing us and, instead, we unite over common ground.

ABIGAIL'S PARTY 2021

Adult: £10

Concession: £9

Season Ticket Holders: Free
.....

Aspirational Beverly and her put upon husband Laurence are hosting a drinks party for new neighbours, Angela and Tony, together with mild mannered divorcee, Sue, who's daughter, Abigail, is having her fifteenth birthday party a few doors away. As the gin and tonics flow our hostess becomes loud and brash, small talk turns to outrageous flirting, marital discord escalates and the thin veneer of middle class respectability begins to peel away.

This iconic suburban comedy is as relevant and grotesquely funny today as it has always been. Full of wicked one-liners and 70s nostalgia and as familiar as a cheese and pineapple hedgehog, Abigail's Party is an absolute joy and a firm favourite with audiences of all ages.

Artsreach PRESENTS

JOSHUA NASH - BLACK LIST / FIG LEAF

Wednesday 10th November - 7.30pm

Tickets (purchased through Artsreach www.artsreach.co.uk)

Adult: £9

Concession: £7

Season Ticket Holders: Free

A double bill of shows from one of the UK's leading Krump dancers, Joshua Nash. Krump is a form of street dance characterized by free, expressive, exaggerated, and highly energetic movement; it's the heavy metal of the dance world, a way of expressing difficult emotions, the ones that get you all twisted up inside.

BLACKLIST is an explosive piece asking how do we cope with inner conflict? Delving into brotherhood, isolation and friendship explored through hip hop, krump and theatre.

"Nash offers a mission statement that he 'aims to change perceptions of krump being nothing more than an aggressive dance style' With BLACKLIST he achieves this and much, much more" Ian Abbott

FIG LEAF asks what does it mean to be a man? And when does masculinity become toxic? Swinging from love and support to anger and aggression. The dancers fight the urge to compete with one another and instead attempt to create a support network, brotherhood and community bond.

"Nash's fiercely intelligent FIG LEAF harnessed the heightened aggression of krumping to grapple with toxic masculinity" Donald Huter

Touring Dorset with Artsreach, the counties rural touring organisation, as part of the Rural Touring Dance Initiative.

N.B. Tickets for this show are booked through www.artsreach.co.uk - not the College.
