Welcome to Weymouth College

This booklet will help you make the best use of the Student Travel Service here at Weymouth College.

It is specifically designed for students who travel from East Dorset, so you can see at a glance how easy it is to get to Weymouth College.

As you work through the booklet it will hopefully answer all of your questions but if you have others please contact us – the numbers are at the back.

Do I qualify for a travel pass?

The college offers assistance for students, who live in East Dorset and are attending a full-time course.

The Transport Department can offer assistance for students aged 16-18. Anyone else requiring financial assistance needs to apply to SSF, contact 01305 764807.

What does a travel pass offer?

Access to the college owned and operated coach which travels from Swanage through Corfe Castle, Wareham, Bovington, Wool, Winfrith, Crossways, Poxwell and Osmington to Weymouth College daily.

How much will I need to contribute?

The college uses a subsidised fixed contribution rate for all students and this year (2021-2022) it has been set at £570.00.

Can I spread the payments.

The college offers a payment plan under Direct Debit of 3 instalments, 1 payment upfront and 2 by direct debit with a £20 admin fee. A Direct Debit mandate is available on the Web pages.

Is there a deduction for those in receipt of benefits? - See student support for advice on this

The College has a discretionary fund which is part funded by the Government and the college, it is administered by the College to assist students experiencing financial hardship.

Funding is limited and offered on a **first come first served basis**. It is to help towards course related costs **including transport**.

Each application to the discretionary support fund will be individually assessed on its own merits and will be subject to the availability of funds. If your application is successful, you will be advised of the total amount awarded.

Application forms can be obtained from Student Services or downloaded from the college website.

I have a disability or medical condition that requires specialist transport. Is there additional help?

There are funds available to assist students with their travel to the college and if you require alternative forms of transport please contact Student Support for further guidance.

How do I apply?

Paying in full upfront- Download the Application form and once completed email it to peter_atkins@weymouth.ac.uk.

Once you have enrolled a member of the transport team will call you to take payment over the phone. Once payment has been received a bus pass will be issued which can be collected from the driver on your first day.

Paying in instalments: Download the Application form and Direct debit form and once completed post it to Transport Department, Weymouth College, Weymouth , Dorset DT4 7LQ. Once you have enrolled a member of the transport team will call you to take the initial payment over the phone. Once payment has been received a bus pass will be given to the driver which can be collected on your first day. (original copies of the direct debit forms are required so please do not email these over as we are unable to use them.

When should I apply?

Applications should be returned as soon as possible. Even if you are unsure of your choices until you have received your results, it is still advisable to make an application for transport now. If you then decide not to join Weymouth College we will cancel your pass and give you a full refund.

When will my pass be available to me?

If you have applied for a travel pass by 16th August 2021 your pass will be ready for issue at your enrolment interview. Cheques will not be cashed until the Bus pass is collected.

However, if you apply for your pass at enrolment interview we will offer a temporary pass to use until your permanent pass is available. You can not use the college coach due to insurance until you have a pass, so will have to make your own travel arrangements.

What if I apply on the first day?

Applications received on the first day will not be eligible for a refund and you will be responsible for your own travel costs until a pass is available.

Can I use my pass if I have to stay late?

The pass is for the college coach only and it can not be used on any other services. The College Coach leaves site at 1700hr. If you have to stay late as part of your course please contact the Travel & Transport Manager.

I have a friend that wishes to travel home with me?

This service is for college students only and if your friend is an enrolled student then a day pass can be purchased from the Travel Centre. Students without a pass or day pass will not be allowed to travel due to insurance.

What if I leave the college or want to stop using the coach?

As soon as you know that you no longer need the use of the college coach you need to contact the Transport Manager. As only the annual bus passes are subsidised, a refund may be issued against the full cost rather than the subsidised cost you paid.

How often am I issued with a travel pass?

Travel passes are valid for a whole year so there will only be one issue at the start of the year.

Where are the bus stops at college?

The bus terminates and commences its journey from the bus stop on site by Fleet building

Can my pass be withdrawn?

Students are advised that the college reserves the right to withdraw travel assistance if a student misbehaves or if there is any abuse of the system. This includes failure to comply with the seat belt law which came into force in September 2006.

Passes must not be lent to, or borrowed by other students under any circumstances as this may lead to disciplinary action.

Which bus service can I use?

You can only use the college coach. The timetable for this service is in this booklet.

Can I Use my Car instead?

The College encourages the use of public transport wherever possible and this year if you drive your car you will not be able to claim for petrol. Anyone who is not on a public transport route should seek advice from the Transport Manager.

The college has sufficient parking for all students that bring their cars to college but you must apply for a parking permit. Failure to display a valid College permit will possibly result in a penalty charge notice being issued.
