

Health and Social Care Level 2 and Level 3:

- 1) Research and define Argyle and Tuckman's theories of education and explain their impact on health and social care settings.
- 2) Choose an age group between 0-90. Describe the nutritional requirements of the group and give reasons for the needs.
- 3) Analyse the impact that smoking campaigns have on smoking rates in the UK.
- 4) Choose a lifestyle factor and analyse the impact this has on a person's wellbeing.
