

An update from Julia Howe – 31 December 2020

Dear Parents/Carers,

Firstly, I hope you managed to have a nice break over the Christmas holidays. You will have undoubtedly seen many reports through the national news referring to the re-opening of schools and colleges including the expectations of the introduction of mass testing. We have been keeping up to date with guidance during the last few days and are working through the detail of the announcement last night which delays onsite face to face delivery for most students, however, still need to confirm arrangements for planned examinations due to take place next week.

If you are a key-worker or you feel that your son/daughter will need to be onsite from Tuesday 5<sup>th</sup> January, please can you email me directly in the first instance.

Whilst we clarify the details, I wanted to remind you that the College is closed on Monday 4<sup>th</sup> January for all students, we will be in touch over the next couple of days with further details and confirmation - in the meantime, please enjoy a safe New Year's Eve.

With best wishes

Julia

Julia Howe  
Interim Principal  
Weymouth College
