

An update from Julia Howe – 31 December 2020

Dear Students,

Firstly, I hope you managed to have a nice break over the Christmas holidays. You will have undoubtedly seen many reports through the national news referring to the re-opening of schools and colleges including the expectations of the introduction of mass testing. We have been keeping up to date with guidance during the last few days and are working through the detail of the announcement last night which delays onsite face to face delivery for most of you, however, we will still need to confirm arrangements for planned examinations next week.

Whilst we clarify the details, I wanted to remind you that the College is closed on Monday 4th January for all students, we will be in touch over the next couple of days with further details - in the meantime, please enjoy a safe New Year's Eve and we look forward to seeing you in 2021.

With best wishes

Julia
