Section 1 – Working in the Industry

Working in the hair and beauty industry is dynamic and vibrant. Passion for your job role is essential to be successful and to have long career. At the start of your journey, it is useful to forward plan where you would like to be and what type of role you would like to have in the industry.

Research a job of your choice for example;

- Beauty Therapist
- Hair stylist
- Barber
- Make-up Artist
- Salon owner

You are required to:

1. Identify main career opportunities available in either the hair or beauty industry,
2. Choose one role that interest you the most and explain why this is your chosen role
3. Identify the qualifications needed to this role
4. Describe/explain what this role would require you to do on a day to day basis
5. State the hours and wages that would be applicable. (Tell me what your hourly rate would be, the hours you would be expected to work and the possible yearly income)

All this information should be comprehensive and well presented. Please include-

- Front cover with the title and your name clearly shown.
- Please make this project as interesting as possible.
- Include pictures where possible, use colour to emphasise your findings.
- Use a bibliography to highlight your research.

Section 2- Customer Service

For any striving beauty therapist understanding the importance of a good first impression and offering good customer service is essential to be successful.

In 500 words write down what you feel makes a good first impression and what is good customer service-

Comment on the following points

- Appearance and personal hygiene
- Time management
- Communication skills
- Being polite and professional at all times
- Providing a good service
