

Dear Students/Parents/Guardians,

As part of returning to classrooms, we will be offering all of our students the opportunity to book two in-person covid-19 lateral flow test on site during the first week of term (in-person testing available 7th – 10th September), spaced 3-5 days apart. Additionally, in line with current guidance, all students may test themselves at home until the end of September using a lateral flow test kit which we will supply.

If you would like to participate in at-home testing, you can book an appointment to collect a home test kit for use in September using the following link:

- Book an appointment to collect a home testing kit [click here to book](#)

If you would like to accept the offer to take an in-person lateral flow test in the first week of term, you can book an appointment for the test using the below link. Note that when you come in for your test, we will also supply you with a home test kit to use for the rest of September.

- Book an in-person lateral flow test, and collect home testing kit [click here to book](#)

An information letter is attached to this email which provides further information. If you need to contact us for reasons other than booking using the links above, please email covid@weymouth.ac.uk

If you do not consent to participating in testing, you should not book an appointment. No other action is required by you to opt out of testing.
