Assignment Deadline	

This assignment must be completed, printed, placed in a file and handed in by the given date.

[SECTION 1 – WORKING IN TRAVEL AND TOURISM](#)

Working in travel and tourism can be hugely varied. There are many different career paths and directions you can take. It is important to start take a focussed approach to your career planning by selecting a career pathway or travel and tourism sector that you want to work in.

Research 2 jobs of your choice, for example:

- Cabin crew
- Holiday rep
- Travel agent
- Cruise ship staff
- Airport staff
- Hotel staff

For that role, research and answer the following:

1. Explain why you have chosen this particular role, why does it interest you?
2. Identify the qualifications needed to do this role
3. Describe/explain what this role would require you to do on a day to day basis
4. State the working hours and wages associated with this role. (What would your hourly rate and or salary be? What hours would you be expected to work? What other benefits could you receive?) You might not find salary details.
5. Identify which companies recruit for this position? Are there any companies in Dorset or would you need to relocate?

You should present your findings in the form of a report. You are expected to provide comprehensive answers that show your ability to undertake research.

Use images, graphics or statistics to make your report more interesting.

Include a bibliography at the end to demonstrate your research.

Possible sites to research

- <https://careers.haystravel.co.uk/>
- <https://careersuk.virgin-atlantic.com/>
- <https://careers.ba.com/cabin-crew>
- <https://www.carnivalukcareers.co.uk/>
