

Dorset Training Academy

Course Brochure

The Dorset Training Academy as part of Adult Skills at Weymouth College has been established since 2016 and in that time has delivered training to over 1000 individual learners and 500 companies within Dorset.

We can offer a wide range of professional training solutions specifically for businesses or tailored for the individual, from short courses to industry-recognised qualifications. Our trainers will offer your staff valuable insight and expert knowledge to increase the impact of all of our training courses.

Training is normally delivered at the main Cranford Avenue College site, however we can arrange to deliver on site to meet business needs (subject to a pre-course assessment of your premises).

Our commitment to ensuring quality training is of paramount importance to us. As such, our courses are fully compliant with the latest guidelines to make sure that trainees are up to date with best practice standards.

Please contact the team on 01305 764748 or email dta@weymouth.ac.uk to get more information on the costs and dates available, or to discuss bespoke training to meet your specific needs.

Further information on all our courses is available online at www.weymouth.ac.uk/level-of-study/adults

Supervising First Aid for Mental Health (Level 3 Award)

Duration: 2 Days Price: £250

This course, which is validated by First Aid Awards, is suitable for all but is aimed at those who hold a supervisory/managerial level position and who have responsibility for implementing a positive mental health culture and responsibility for First Aid for Mental Health within an organisation.

The course is taught over 2 days and will include the following:

- What is First Aid for Mental Health?
- Identifying mental health conditions
- Providing advice and starting a conversation
- Drugs and alcohol
- First Aid for Mental Health action plan
- First Aid for Mental Health in the workplace
- A large range of Mental Health conditions covered in detail

First Aid for Mental Health - Adult (Level 2 Award)

Duration: 1 Day Price: £120

This course, which is validated by First Aid Awards, will enable learners to become First Aiders for Mental Health and be a point of contact within the workplace to help and support those with a suspected mental health condition.

The course is taught over 1 day and will include the following

- What is First Aid for Mental Health?
- Identifying mental health conditions
- Providing advice and starting a conversation
- Drugs and alcohol
- First Aid for Mental Health action plan
- First Aid for Mental Health in the workplace

First Aid for Mental Health - Youth (Level 2 Award)

Duration: 1 Day Price: £120

This course, which is validated by First Aid Awards, has been designed with children and young people in mind covering areas such as depression, self-harm, eating disorders and bullying and will provide the knowledge and skills to identify a potential mental health condition, start a conversation, and provide support and guidance to professional help.

The course is taught over 1 day and will include the following:

- What is First Aid for Youth Mental Health?
- Identifying Mental Health conditions
- Stress
- Mental Health conditions
- Drugs and alcohol
- First Aid action plan for Mental Health

Awareness of First Aid for Mental Health (Level 1 Award)

Duration: Half Day Price: £55

This course, which is validated by First Aid Awards provides learners with the knowledge to recognise a suspected mental health condition and the skills to start a conversation and be able to signpost a person towards professional help.

All members of the public can benefit from this course and it is a great stepping stone into First Aid for Mental Health.

The course is taught over 4 hours and will include the following:

- What is First Aid for Mental Health?
- Identifying Mental Health conditions
- Providing advice and starting a conversation

Emergency First Aid At Work (Level 3)

Duration: 1 Day Price: £70

This course will ensure that all learners will have the skills and knowledge to provide their organisation with Emergency First Aiders that can provide treatment to their casualties in a prompt, safe and effective manner.

On successful completion of the day, all learners will receive a NUCO Level 3 Emergency First Aid at Work certificate which is valid for 3 years.

First Aid At Work (Level 3)

Duration: 3 Days Price: £250

This comprehensive course will give participants a qualification to the highest level of First Aid, meeting the statutory requirements of the Health and Safety (First Aid) Regulations 1981.

On successful completion of the day, all learners will receive a NUCO Level 3 in First Aid at Work certificate which is valid for 3 years.

Emergency Paediatric First Aid (Level 3)

Duration: 1 Day Price: £70

This course is designed for learners with a responsibility for the care of children and babies and provides the knowledge and skills to deal with a range of paediatric first aid conditions and incidents.

On successful completion of the day, all learners will receive a NUCO Level 3 in Emergency Paediatric First Aid certificate which is valid for 3 years.

Paediatric First Aid (Level 3)

Duration: 2 Days Price: £150

This comprehensive course is designed for learners with a responsibility for the care of children and babies on a professional level. The qualification satisfies the guidelines and criteria as laid down by the Early Years Foundation Stage (EYFS) and Ofsted.

On successful completion of the day, all learners will receive a NUCO Level 3 Paediatric First Aid certificate which is valid for 3 years.

Outdoor First Aid (Level 3)

Duration: 2 Days Price: £150

This two-day course is suitable for people who need to provide first aid to someone who is injured, becomes unwell or is suffering from a medical emergency in a remote outdoor environment. This course is suitable for anyone working in a remote environment and for those who want a 'hands on' practical course.

On successful completion of the day, all learners will receive a NUCO Level 3 in Outdoor First Aid certificate which is valid for 3 years.

Catastrophic Bleeding Control

Duration: 3.5 hours Price: £45

This course provides learners with guidance on catastrophic bleeding control, including dealing with the inherent dangers associated with the use of tourniquets and haemostatic dressings whilst administering First Aid in a high-risk working environment.

All learners must hold a current Level 3 Emergency First Aid or Level 3 First Aid at Work qualification.

IOSH Managing Safely

Duration: 3 Days Price: £480

This course is designed to provide managers and supervisors with comprehensive training to ensure that they can influence, control and monitor risks to help improve health and safety issues within their workplace.

The course will include assessing risks, understanding responsibilities, understanding hazards, investigating accidents and measuring performance.

On successful completion learners will be awarded an IOSH Managing Safely certificate.

IOSH Working Safely

Duration: 1 Day Price: £150

This course is designed for people working at any level across all business sectors to boost business performance and staff motivation. The course will show how everyone can enhance their safety, health and well-being through everyday behaviours.

On completion all learners will be able to define hazards and risks, identify common hazards and learn how to improve safety performance.

On successful completion learners will be awarded an IOSH Working Safely certificate.

IOSH Managing Safely Refresher

Duration: 1 Day Price: £150

This course is designed for anyone in a management or supervisory role, who has completed the full Managing Safely course. The refresher course will provide learners with an understanding of everyone's safety and health responsibilities in the workplace and enable them to recognise how a safety management system helps influence, control and monitor risks to improved safety and health issues in the workplace.

On successful completion learners will be awarded an IOSH Managing Safely certificate.

Health and Safety (Level 2)

Duration: 1 Day Price: £70

This one day course validated by NUCO is ideal for those wishing to develop knowledge of health and safety issues in the workplace and the legislation and regulations relating to maintaining a healthy and safe working environment.

This course will highlight common hazards and effective control measures. It will help you work more safely and be more aware of how your own actions can affect the health and safety of others, and will enable you to contribute meaningfully to any occupational health and safety management systems which offer transferability to other jobs.

On successful completion, learners will be awarded with a NUCO Level 2 Health and Safety certificate.

BIIAB Award for Personal Licence Holders (QCF Level 2)

Duration: 1 Day Price: £120

Under the Licensing Act 2003, all retail sales of alcohol must be made or authorised by a Personal Licence holder. In addition, premises which are licensed for the sale of alcohol must have a designated premises supervisor appointed, and this person must hold a Personal Licence. Before applying for a Personal Licence, the applicant must achieve a relevant, accredited qualification.

This intensive course covers all the knowledge needed to achieve the BIIAB Level 2 Award for Personal Licence Holders, which satisfies this condition. In addition to the above course, we are able to offer a DBS check service to support an application for a Personal Licence through the local licensing authority.

Food Safety in Catering (Level 2)

Duration: 1 Day Price: £70

This course provides effective and comprehensive food safety training for anyone involved in the handling, preparation, cooking, serving or the manufacture of food. The course will look in detail at best practices involved in controlling food safety hazards, controlling temperatures, food storage, food preparation, personal hygiene and premises cleaning.

On successful completion, learners will be awarded with a CIEH Level 2 Food Safety in Catering certificate.

Food Safety in Catering (Level 3)

Duration: 3 Days Price: £250

This course is designed for managers and supervisors wishing to develop knowledge of health and safety issues in the workplace and the legislation and regulations relating to maintaining a healthy and safe working environment.

On successful completion, learners will be awarded with a NUCO Level 3 Food Safety in Catering certificate.

Identifying and Controlling Food Allergy Risks (Level 2)

Duration: 1 Day Price: £70

This one-day course provides learners with the knowledge and tools to identify food allergens and put in place practical strategies to control these within the workplace.

On successful completion, learners will be awarded with a RSPH Level 2 certificate.

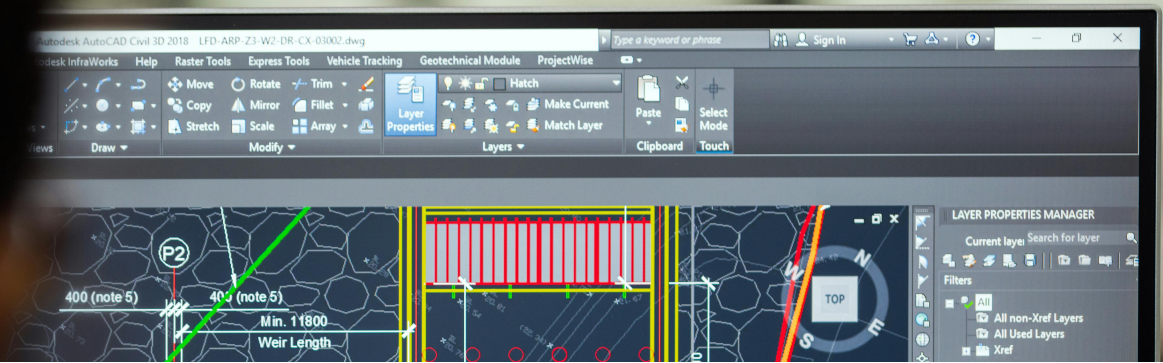

Office Skills for Business Programme

This is a comprehensive range of training designed for learners at all levels of skills and experience, from beginner to advanced.

Engineering

Introduction to Autocad 2D

Duration: 15 hours Price: £300

This course is designed for new users or users with very little experience of AutoCAD and will enable learners to become a proficient and independent AutoCAD user.

The content is aimed at new users to the software looking to be able to produce drawings to BS 8888 drawing standards.

The course will cover the following:

- How to navigate around the user interface & workspace to aid in the construction of drawings;
- Use tools to create & edit 2D shapes;
- Use drawing aids to help in the construction of drawings;
- Use layers to effectively create professional 2D drawings;
- Add Text, hatching and dimensions to drawings;
- How to print drawings

No previous knowledge of CAD is needed, although learners should have basic IT knowledge.

Business Management

People Management Skills

Duration: 3 Hours per session Price: £45 per session

This is a comprehensive range of training designed for existing managers and supervisors and those hoping to move into a more senior role.

The half day sessions consist of the following:

- Recruitment and Selection
- Probation and Appraisal
- Disciplinary, Capability and Grievance
- Management Styles and Motivation
- Managing Time and Priorities

Award in Introduction to Counselling Skills (Level 2)

Duration: 10 Weeks Price: £300

This qualification, awarded by the Counselling and Psychotherapy Central Awarding Body (CPCAB) and delivered over 10 weeks in the evening is intended for candidates who want to:

- Learn basic counselling skills (listening and responding skills) in helping roles
- Find out more about counselling (this qualification won't teach them to be a counsellor, but may help them decide whether or not they want to train as one)
- Improve professional and personal relationships

This course is an ideal starting point to a future career as a counsellor but also provides valuable transferable communication skills which would aid anyone working in a management or HR role.

No previous training or experience is required to undertake this qualification.

Assessment is carried out through an ongoing portfolio of work throughout the course and there is no exam.

On successful completion, learners will be awarded with a Level 2 CPCAB Award in Introduction to Counselling Skills certificate.

Certificate in Counselling Skills (Level 2)

Duration: 30 Weeks Price: £811 (funding available subject to eligibility)

This qualification, awarded by the Counselling and Psychotherapy Central Awarding Body (CPCAB) and delivered over 30 weeks in the evening is intended for candidates who want to:

- Become competent in the use of counselling skills to help others
- Enhance communication and interpersonal skills in current role
- Take the first step in training to become a qualified counsellor
- Improve professional and personal relationships

Although this course will not teach you to be a counsellor, it provides you with the counselling skills you'll need for a variety of roles in a number of sectors. This course will also help to improve your professional and personal relationships as part of personal development and provide additional skills to aid progression within your current role.

This qualification is broken down into 7 learning outcomes as follows:

- Using counselling skills ethically and safely
- Establish and sustain the boundaries of the helping role
- Work empathetically as a helper
- Focus on the helpee's needs and concerns
- Use self-awareness in helping work
- Use a range of counselling skills to facilitate the helping interaction
- Use feedback and reflection to enhance counselling skills

No previous training or experience is required to undertake this qualification.

Assessment is carried out through an ongoing portfolio and 1 externally assessed assignment.

On successful completion, learners will be awarded with a Level 2 CPCAB Certificate in Counselling Skills certificate.

British Sign Language

Award in British Sign Language (Level 1)

Duration: 25 Weeks Price: £450 (funding available subject to eligibility)

This qualification, awarded by Signature and delivered over 25 weeks in the evening will enable learners to gain basic skills and confidence in production and reception of BSL.

This course can be studied without any previous BSL experience and by the end of the course, learners will be able to:

- understand and use a limited range of simple words and sentences in BSL
- take part in simple, everyday conversations in BSL
- give and follow simple directions or instructions in BSL
- give and follow simple familiar statements or descriptions in BSL

There are 3 formal assessments as part of the qualification, including two 5-minute recorded assessments carried out under examination conditions.

Certificate in British Sign Language (Level 2)

Duration: 33 Weeks Price: £724 (funding available subject to eligibility)

The qualification will allow learners to participate in longer and more varied conversations and develop their skills from the Level 1 Award.

The course will develop communication in BSL about real life, routine, and daily experiences. The learner will be able to deal with most routine communication and have enough understanding of grammar to cope with some non-routine communication.

The course content covers the following themes (with 3 out of 4 covered):

- Everyday conversation - mandatory
- Eating and drinking - optional
- Spending and Shopping - optional
- Travel and holidays - optional

The course is assessed through practical development of skills throughout the course, along with formal externally assessed and recorded presentations and conversations in British Sign Language.
