Welcome to Weymouth College

This booklet will help you make the best use of the Student Travel Service here at Weymouth College.

It is specifically designed for students who travel from the North of Dorchester area, so you can see at a glance how easy it is to get to Weymouth College.

As you work through the booklet it will hopefully answer all of your questions but if you have others please contact us – the numbers are at the back.

Do I qualify for a travel pass?

The college offers subsidised travel passes for students on a full time course, who live over 5 miles from college.

The Transport Department can offer assistance for students aged 16-18. Anyone else requiring financial assistance needs to apply to SSF, contact 01305 764807.

What does a travel pass offer?

The pass will offer one return journey per day, Monday to Friday during term time only.

How much will I need to contribute?

The college uses a subsidised fixed contribution rate for all students and this year (2024-2025) it has been set at £660.00.

Can I spread the payments.

The college offers a payment plan under Direct Debit of 3 equal instalments, 1 payment upfront and 2 by direct debit with a £20 admin fee. A Direct Debit mandate is available on the Web pages.

Is there a deduction for those in receipt of benefits? - See student support for advice on this

The College has a discretionary fund which is part funded by the Government and the college, it is administered by the College to assist students experiencing financial hardship.

Funding is limited and offered on a **first come first served basis**. It is to help towards course related costs **including transport**.

Each application to the discretionary support fund will be individually assessed on its own merits and will be subject to the availability of funds. If your application is successful, you will be advised of the total amount awarded.

Application forms can be obtained from Student Services or downloaded from the college website.

I have a disability or medical condition that requires specialist transport. Is there additional help?

There are funds available to assist students with their travel to the college and if you require alternative forms of transport please contact Student Support for further guidance.

How do I apply?

Paying in full upfront- Download the Application form and once completed email it to peter_atkins@weymouth.ac.uk.

Once you have enrolled a member of the transport team will call you to take payment over the phone. Once payment has been received a bus pass will be issued which can be collected from the driver on your first day.

Paying in instalments: Download the Application form and Direct debit form and once completed post it to Transport Department, Weymouth College, Weymouth, Dorset DT4 7LQ. Once you have enrolled a member of the transport team will call you to take the initial payment over the phone. Once payment has been received a bus pass will be given to the driver which can be collected on your first day. (original copies of the direct debit forms are required so please do not email these over as we are unable to use them.

Alternatively. Download the forms and fill them in prior to your enrolment and bring them to the transport office/desk at enrolment.

When should I apply?

Applications should be returned as soon as possible. Even if you are unsure of your choices until you have received your results, it is still advisable to make an application for transport now. If you then decide not to join Weymouth College we will cancel your pass and give you a full refund.

When will my pass be available to me?

Your pass will be ready for issue at your enrolment interview. Cheques will not be cashed until Bus/train Pass is collected.

However, if you apply for your pass at enrolment interview, or later you will be responsible for your own travel costs until the pass can be issued. In these circumstances you will not be entitled to a refund for the fares incurred.

What if I apply on the first day?

Applications received on the first day will not be eligible for a refund and you will be responsible for your own travel costs until your pass is available.

Can I use my pass if I have to stay late?

Unfortunately the minibus must leave at 1700hr. If you have to stay late please contact the Travel & Transport Manager to discuss alternatives.

I have a friend that wishes to travel home with me?

If wishing to travel on the college minibus you will need to contact the Travel and Transport Manager to check availability of seats beforehand.

What if I lose my travel pass?

If you lose your bus pass a replacement will be issued free of charge, each time thereafter a charge of £5 will be incurred to replace the bus pass.

What if I leave the college?

As the pass is subsidised you must either return it to the travel centre or make arrangements to pay the additional cost. If you leave college you will be responsible for paying the difference between the subsidised value and full face value to the college. The transport contribution fee is due in full for any travel that cannot be refunded from the supplier. The bus pass must be returned in order for a refund to be considered. If returned then a refund will be made to you for anything which can be reclaimed from the issuing company. If you wish to retain the ticket you will be liable to pay the full face value of the bus pass to the college

How often am I issued with a travel pass?

Travel passes are valid for a whole year so there will only be one issued at the start of the year.

Where are the bus stops at college?

The minibus will bring you straight onto campus and will leave from the bus stop on Campus.

Can my pass be withdrawn?

Students are advised that the college reserves the right to withdraw travel assistance if a student misbehaves or if there is any abuse of the system. Passes must not be lent to, or borrowed by other students under any circumstances as this may lead to disciplinary action.

Can I Use my Car instead?

The College encourages the use of public transport wherever possible and this year if you drive your car you will not be able to claim for petrol.

The college has sufficient parking for all students that bring their cars to college but you must apply for a parking permit. Failure to display a valid College permit will possibly result in a penalty charge notice being issued.
