Welcome

Welcome to Weymouth and Kingston Maurward College.

As Principal and CEO, I am proud to lead this vibrant, newly-merged college, where your future takes centre stage. By bringing together the best of our two campuses, we're creating an even stronger learning community with enhanced resources and an exciting range of courses to help you succeed.

Whether you choose our Weymouth campus based on the stunning Jurassic Coast, or our Kingston Maurward campus in the beautiful Dorset countryside, you'll find a friendly, supportive and inspiring environment, covering everything from A-Levels to technical and professional courses, land-based learning and apprenticeships. With expert teachers, industry-standard facilities and outstanding student support, we're here to help you build the skills and confidence you need for your next steps – whatever they may be.

Your journey with us is about discovering your potential and shaping your future. We can't wait to welcome you to Weymouth and Kingston Maurward College!

Kate Willis
CEO & Principal

COLLEGE

APPRENTICESHIPS

An apprenticeship is a real job that provides hands-on experience and training. You'll earn as you learn and gain a nationally recognised qualification while making early career progress within your chosen field.

Apprentices will complete structured learning on campus while also working with a local company, gaining the knowledge, skills and behaviours needed to set them up for the world of work.

From accountancy, business, IT and teaching to more practical industries such as hair and beauty, construction or engineering, Weymouth College offers a wide range of apprenticeship courses that can give you a firm footing for a future career.

TRAVEL TOURISM & EVENTS

If you're good with people, friendly and adaptable, and interested in a career that allows you to travel the world, our Travel & Tourism courses may be ideal for you, combining classroom-based learning with exciting trips and unique opportunities.
